## 2004 Gulfstream G550

The 2004 Gulfstream G550 is the ultimate long-range business jet combining exceptional performance, luxury, and reliability. This aircraft offers intercontinental range, cruising comfortably at Mach 0.85 with seating for up to 14 passengers. Equipped with Rolls-Royce BR710 engines and state-of-the-art avionics, the G550 delivers a smooth, efficient flight experience. The spacious cabin features a tasteful interior with a forward galley, private aft lavatory, and flexible seating arrangements ideal for work or relaxation. Maintained to the highest standards with a strong maintenance pedigree, this Gulfstream G550 is an outstanding opportunity for global travelers seeking comfort, capability, and value.
